

Ontmoetingen van A en B

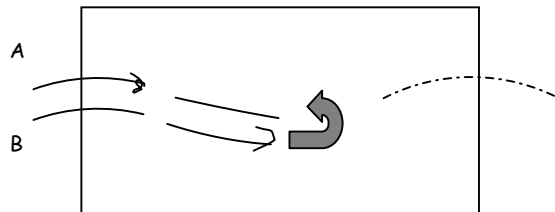

Het akkoord gaat verder dan elke mondelinge of schriftelijke overeenkomst

De aanval - de logica is weg

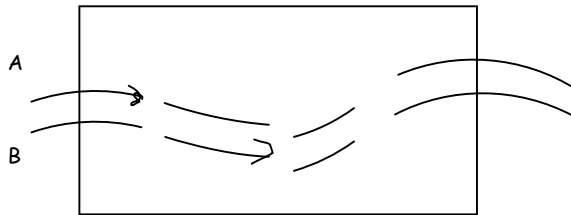

Het conflict - een confrontatie om het behoud van de relatie

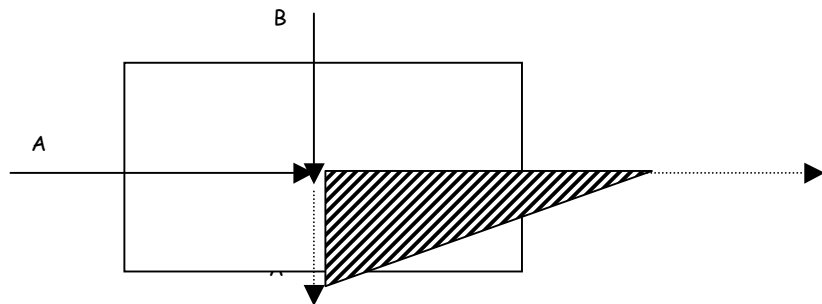

De verleiding - afstemming geeft stuurkracht

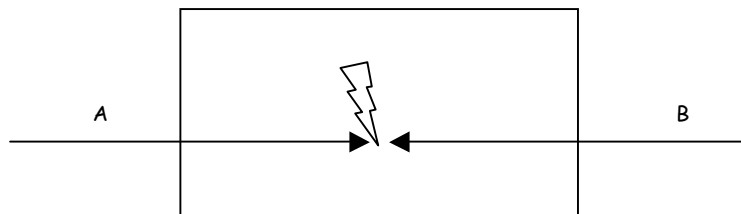

Basic patterns of social behaviour

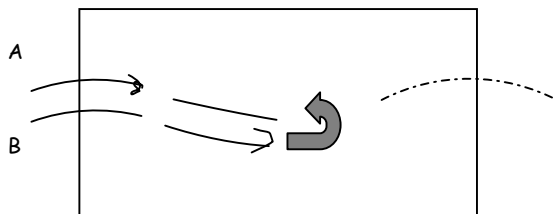

The agreement – future orientated cooperation based on trust

The attack - leads to a situation in which life prior to the attack is lost, for a while

The conflict – confrontation while retaining the relation

The seduction – gives steering power
